INDICTMENT

The Grand Jury charges:

Background

At all times relevant to this Indictment:

1. FAUZIA LODHI (“the defendant”) was the owner and operator of “Postal Express,” a post office box and shipping business located at 801 West El Camino Real, Mountain View, California.

2. State Farm Insurance (“State Farm”) was an insurance company headquartered in Bloomington, ^{Illinois} Indiana, with offices and agents throughout the United States. State Farm maintained an Insurance Support Center (“ISC”), which stored data on insurance claims, in

INDICTMENT

1 Tempe, Arizona.

2 3. On or about April 17, 2006, the defendant entered into a business insurance policy
3 agreement on behalf of Postal Express with State Farm which included coverage for the loss of
4 business personal property and business income due to fire.

5 4. On or about May 17, 2006, a fire occurred in the building housing Postal Express.
6 The fire was determined to be incendiary, and to have started inside the premises of Postal
7 Express.

8 5. On or about May 18, 2006, the defendant submitted a claim under the State Farm
9 insurance policy for business income interruption payments and loss of business personal
10 property for Postal Express.

11 The Scheme and Artifice to Defraud

12 6. The defendant intentionally provided falsely inflated inventory and revenue
13 statements, including falsely asserting that personal loans were business income, to a State Farm
14 insurance agent in order to induce State Farm to insure Postal Express for business interruption
15 and loss of business personal property in excess of what the defendant then and there well knew
16 to be the actual value of the business.

17 7. The defendant, having secured an insurance policy far in excess of the actual
18 worth of the revenue and business personal property at Postal Express, intentionally caused the
19 setting of a fire inside the building housing Postal Express in order to collect on the inflated
20 insurance policy.

21 8. The defendant submitted insurance claims to State Farm based on the falsely
22 inflated inventory and revenue statements. The defendant intentionally misrepresented the
23 amount of business interruption insurance payments and loss of business personal property
24 insurance payments to which she was entitled under her State Farm insurance policy. The
25 defendant immediately used the fraudulently obtained business interruption payments to satisfy
26 her outstanding debts.
